WELCOME HOME!
ARE YOU UP FOR A SURPRISE?
DO I HAVE A WELCOME HOME PLANNED FOR YOU!

Dear Patricia,

Even a month can seem like forever when your best buddy is away! I can't wait to spend some "girl" time with you, play catch up, and hear all about your trip! And, of course, share what you've missed while you were away!

But on to the surprise! How would you feel about a *free* evening out at our favorite restaurant, Azteca?? Well, get ready, because I can make that happen for you! As a frequent customer, I recently won a drawing for a *free* dinner for two...and I immediately thought of you!!

Picture it! We walk through the carved wooden doors and step into another world of soft music, subdued lighting, the quiet sounds of people having fun and enjoying their meals, and the capturing aromas of all their good menu items. We're greeted by a pretty, friendly hostess wearing welcoming grin and dressed in an authentic Mexican dress. She smiles, picks up two menus and asks us to follow her...

Now, imagine us sitting at an umbrella-covered table out on the spacious deck, each with a huge margarita (some of the biggest I've ever seen!), chips, and salsa – and a big candle, between us! The sun begins to slowly fade into the West, as the traffic on the freeway running through the valley below keeps up its relentless pace...while we seem to be in a world of our own!

Can't you just hear the soft mariachi music playing in the background, smell the delicious aromas emanating from the kitchen, and taste that margarita? What a wonderful way to relax and unwind from your long trip!

If all this sounds good to you, then read on! As a frequent customer, I just won a coupon for *two free dinners* at Azteca! And I'd like *you* to be my guest! What better way to enjoy a warm summer evening – and all at no cost to you!

What sounds good to you? A fajita burrito – filled with your choice of chicken, beef, or seafood? A giant enchilada? A bowl of their famous Molcajete? Or will you join me with a shrimp fajita? And don't forget the chips and salsa and our second margarita! It's a good thing Azteca provides large left-over containers, because we're sure to need them! We'll need to take some food home anyway – to make room for Azteca's well-known deep fried ice cream for desert!

Still undecided? Here are a few of the most recent online reviews I found about others' experiences at Azteca:

“I just love the new chicken pizza and breadsticks” (Debbie J.)

“Great service!” (Sheila R.)

“Really great service coupled by great food.” (Don L.)

“Great food!” (Barb G)

“You can always count on getting really great food here!” (Don & Sue T.)

“The people are always so friendly and eager to please! They help each other out all the time!”
(Doug & Donna H.)

“Great customer service and food was great and a lot. Wait staff was spectacular. Alfredo's are wonderful, unlimited salads and bread sticks. Can feed two people with one order.” (Paul & Patricia D.)

Well, Patricia, I hope I've enticed you to accept my invitation to be my guest for a relaxing and cozy evening of friendship, great food and drink, and outstanding ambience. And remember, it won't cost you a penny – because meal is *free*, and the drinks are on me!

So please hurry and call me so we can set a date! Unfortunately, this coupon expires at the end of June, and I'd hate to see us miss this opportunity!

Talk to you soon!

Best regards,

Pam

P.S. Remember! This relaxing evening won't cost you a cent!
